Description of Activities:

The team met with Jill to discuss how to grow fundraising and community outreach for Laundry Love. The conversation covered who Laundry Love's supporters are, how to share its story, new fundraising ideas, and a possible feature in Blacksburg Living.

Audience & Messaging

- Laundry Love's constituents skew older, so Facebook is the primary platform for reaching them.
- The team needs a clear way to tell the story of Laundry Love, including a strong visual that helps people quickly understand what it does.

Digital & Social Media

- No social media campaign has been done yet, so the team will plan a digital campaign.
- The team will try platforms beyond Facebook, such as Instagram.
- The team will set up the charity fundraising website (Pure Charity) and create a QR code and link to share.

Fundraising Ideas

- Donation jars at local businesses (only if done well).
- Cards and bookmarks to sell for Laundry Love; the hamper is part of this effort too.
- Business partnerships: ask businesses to either host a percent night or host the hamper.
- Churches: try to host the hamper at additional churches.
- Avoid boothing.

Goal

- Have one fundraising or outreach activity lined up every month.
